Strategy Development - NC Cancer Plan	<p>Brief group introductions were held and today's assignment was discussed and agreed upon by the subcommittee. The Subcommittee elected to work on identifying Strategies for the NC Comprehensive cancer that could be employed to act on the goals and objectives of the program while at the same time identifying which organizations should be identified to take the lead and who should be partners/participants. To work on this task we formed small groups and each group worked on three or four of the objectives.</p> <p>We also agreed to adopt the strategies employed by the Tobacco Prevention & Control Plan and the strategies associated with the Eat Smart/Move More Plan.</p>	Group discussion took place, suggestions/comments were given. All changes that can be made will be made.
FYI	Remarks were given to the group by Dr. Jana Johnson and Sally Malek regarding the States' "Stop Smoking Plan".	
Meeting Adjourned at 2:00pm.	Next Meeting will be Friday, April 18, 2008 at the Solution Center.
